OFFER: BUY 5 SETS PAY FOR 4

DIAMONDS FOR CHRISTMAS

Treat your floors and your Scanmaskin grinder with some new diamond tooling for Christmas! With the right tooling for your surface you will get diamonds and machines with maximum productivity and longevity. The right tooling will also cut your grinding time significantly and give you more work-efficient days which in the end will give you more time to spend with your loved ones.

We have a complete range of grinding, removal and polishing tools for the hardest to the most abrasive concrete floors. High quality tooling with a variety of different sizes, bonds and grits to get the ultimate end-result you want. On our webpage you can use our digital filtration tool to make it easier to find the right tooling for your job and machine.

You are always welcome to contact us for personal advices and/or ordering.

The offer is valid throughout 2021 and cannot be combined with any other offers.
