

## STRIPPER 350 WORLD SERIES

WEBSITE ►

The 350 World Series is a floor stripper that suits well for heavier floor coverings thanks to its outstanding construction where combination of weight and power is in focus.

With the 350 WS stripper it's possible to remove many different types of surfaces, such as hardwood and parquet floors, ceramic tiles, rubber flooring, etc. For easier handling, the machine is equipped with automatic operation. The integrated weights are adjustable in three positions, which ensures maximum pressure for difficult removals.

For easier transport of the machine you can easily remove the weights if desired. The handle is vibration-damped and also adjustable where you can adjust the height in desired position for maximum comfort and work position

### SELF PROPELLED FLOOR STRIPPER

**MOTOR POWER**  
1,5 kW

**WORKING WIDTH**  
350 mm / 14"

**WEIGHT**  
225 kg / 496 lbs

## TECHNICAL DATA

Working width:	350 mm / 14"	Rotation speed:	2800 rpm (2800 rpm drive unit)
Voltage:	230 V 1~	Weight:	225 kg / 496 lbs
Frequency:	50 Hz	Height:	104-113 cm / 40"-44"
Current:	8,7 Amp (2,5 Amp drive unit)	Length:	81 cm / 32"
Total current Consumption:	11,2 Amp	Width:	50 cm / 20"
Motor power:	1,5 kW (0,37 kW drive unit)
