

# STRIPPER 250 WORLD SERIES

The 250 World Series is a light and flexible floor stripper that easily removes many different types of surfaces. The automatic operation facilitates the work for the operator.

The design is compact and the weight is relatively light which makes transports and maneuvering considerably easier. The machine comes with 4 removable weights that ensure maximum blade pressure during more difficult removal work.

The Stripper 250 World Series is a versatile machine with high performance in a compact and flexible format that works for many different types of removal work.

## LIGHT AND FLEXIBLE FLOOR STRIPPER

**MOTOR POWER**  
1,1 kW

**WORKING WIDTH**  
250 mm / 10"

**WEIGHT**  
122 Kg / 268 lbs

## TECHNICAL DATA

Working width:	250 mm / 10"	Rotation Speed:	2800 rpm (2800 rpm drive unit)
Voltage:	230 V 1~	Weight:	122 Kg / 268 lbs
Frequency:	50 Hz	Height:	104 -111 cm / 41"-44"
Current:	6,3 Amp (2,5 Amp drivenhet)	Length:	78 cm / 31"
Total current consumption:	8,8 Amp	Width:	50 cm / 20"
Motor power:	1,1 kW (0,37 kW drive unit)
