# Floor scraper FRE250L

Working width 250 mm

Blade angle adjustable by raising or lowering the rear swing arm

Ergonomically designed handle bars with control unit incl. dead man's switch

Height adjustable handle and adjustable for work close to a wall for example

The FRE250L is an innovative, compact and powerful floor scraper. Robust, durable design - quick and easy to use. Reliability and stability are combined for fast production rates. Its extra strong design in combination with the relatively low weight enables the peeling and removal of carpets, vinyl floors and many other floor coverings. Blade angle adjustable by raising or lowering the rear swing arm.
